Classic Vintage Car - Private lunch in Angkor Watt- Twilight dinner at Srah Srang

Whether you choose to go through the surrounding countryside in a **classic, 1920s Citroen**, or exploring the countryside in a traditional bicycle, you can be sure of one thing. If you're staying at the Victoria Angkor you are in the best place to experience the true wonder of the colossal ruins that form a picturesque gateway to the ancient Khmer civilisation.

Immerse yourself with a **private pique nique** into the ruins of Angkor Wat. Delicious lunch cooked by top chef, is not only rewarding, it's also a great fun. Relax with a chilled glass of wine or frosty cold Angkor beer and savour the fruits.

We recommend you an early **twilight private dinner at srah srang**. Here at the centre of Angkor park we have our own traditional wooden khmer village house. it is overlooks the 10-12th century royal bathing pool of Srah Srang that is fed by a natural spring. With it's garden colored by mango trees and coconut palms, the garden has tidy beds of herbs and vegetables - some of which may later turn up on your plate. The ancient royal pool provides a serene outlook while you relax on the verandah with a glass of champagne. Watch the passing parade of local village life as your personal cook fires up the grill for your khmer dinner. Privacy, candlelight & the melody of your own musician add up to a magic evening.
